The primary and most critical updates to the Plan were changes to the policy regarding placement on the waiting list, which have been made to address the significant need for affordable housing in Orange County. Updates included, but were not limited to, OCHA’s ability to perform a random selection (lottery) to determine applicants that will be placed on the waiting list and OCHA’s ability to open its waiting list only to applicants who qualify for one or more OCHA preferences. Attachment A of the Annual PHA Plan is a Summary of Substantial Revisions made to the Administrative Plan in 2020.

Y N

Project Based Vouchers.

(b) If this activity is planned for the current Fiscal Year, describe the activities. Provide the projected number of project-based units and general locations, and describe how project-basing would be consistent with the PHA Plan.

In addition to the project-based activities, which are in progress (see Attachment B), and will continue into the next reporting period, in response to Notices of Funding Availability, there are additional projects under review. As opportunities become available and upon notification to HUD, OCHA will continue to explore use of project-based vouchers to meet the local need for affordable housing.

OCHA’s project-based activities are consistent with the PHA Plan and the Administrative Plan in that they promote deconcentration, expand housing choice and address the need for long-term, affordable housing. Further, the activities contribute to the achievement of the goals OCHA set forth in Section B.2 of the Five-Year PHA Plan.

**B.3 Most Recent Fiscal Year Audit.**

(a) Were there any findings in the most recent FY Audit?

4. Applications, Waiting List, and Tenant Selection
  - Added “as permitted by HUD Notice PIH-2012-34, based on local housing needs and priorities, OCHA may open its waiting list only to applicants who qualify for one or more OCHA preferences”.
  - Added “when the application period ends, if less than 12,000 applications are received, all applications will be placed on the waiting list. If more than 12,000 applications are received (which is the number of applications OCHA reasonably anticipates can be addressed within a three (3) year period), OCHA’s housing software will perform a random selection (lottery) to determine which 12,000 applications will be placed on the waiting list. Those not randomly selected will not be placed on the waiting list. Applicants who have been chosen by random selection (lottery) will be placed on the waiting list according to any preference(s) for which they claim on the pre-application, and then by random selection (lottery) number placement within the preference category. The results of either of the aforementioned random selections are not subject to appeal”.
  - Added “provisions for closing the waiting list will be provided via public notice when reopening of the waiting list is announced”.
  - Removed “OCHA will close the waiting list when the estimated waiting period for housing assistance for applicants on the list reaches 24 months or more for the most current applicants”.
  - Added “Mainstream Voucher Program (MVP) - HUD allocated funding to provide Housing Choice Voucher tenant-based rental assistance for qualifying non-elderly persons with disabilities. Participants are admitted under targeted funding provisions and must meet applicable verification and eligibility requirements”.

At any time before expiration of the HAP contract, OCHA may extend the term of the contract for an additional term of up to **20** years if OCHA determines an extension is appropriate to continue providing affordable housing for low-income families or to expand housing opportunities”.
  - Added “for Permanent Supportive Housing projects, OCHA may issue project-based vouchers based on referrals from the Orange County Coordinated Entry System (CES). If OCHA chooses to accept referrals from CES, OCHA will connect applicants who are listed on the tenant-based waiting list to the appropriate party for placement on the CES list”.

Once the family vacates the unit, in order to continue as an excepted unit under the HAP contract, the unit must be made available to and occupied by a qualifying family”.
- Added “if an assisted family moves out of the unit, the owner may keep the housing assistance payment for the calendar month when the family moves out. However, the owner may not keep the payment if OCHA determines the vacancy is the owner’s fault. If OCHA determines that the owner is responsible for a vacancy and, as a result, is not entitled to keep the housing assistance payment, OCHA will notify the owner of the amount of the housing assistance payments that must be repaid. OCHA will require the owner to repay the amount owed in accordance with the policies in 16-IV.B. HUD regulations allow vacancy payments to be made at the discretion of the PHA.
