Goal 1. Maximize existing resources and expand supply of affordable housing

Expand the supply of affordable housing by applying for additional housing assistance funding and programs that may become available.

In response to Notice PIH 2024-18 Registration of Interest for HUD-VASH vouchers, OCHA applied for and was awarded 50 HUD-VASH vouchers.

OCHA applied and awarded non-competitive for 25 Foster Youth to Independence vouchers from the U.S. Department of Housing and Urban of Housing Development

Project Based Voucher (PBV) update:

OCHA entered into a HAP agreement and leased five (5) projects during FY25-26. Those projects include: Oasis Apartments, which offered 62 PBV for those experiencing homelessness in the City of Huntington Beach; Salida del Sol, which offered 40 units, 24 MHSA, 10 VASH, and 6 for those experiencing homelessness in the City of San Juan Capistrano; Cartwright, which offered 8 MHSA units in the City of Irvine; Orion, which offered 8 MHSA senior units in the City of Orange; Avon River, which offered 48 units, 24 MHSA, 10 VASH, and 14 for those experiencing homelessness in the City of Costa Mesa.

In addition to the above projects there are three (3) projects in progress which will continue into the next reporting period. In response to Notices of Funding Availability, an additional seven (7) projects are under review. OCHA will continue to explore the use of project-based vouchers as opportunities become available and upon notification of HUD to meet the local need for affordable housing.

Consistent with the PHA Plan and the Administrative Plan, OCHA's project-based activities promote deconcentration, expand housing choice and address the need for long-term, affordable housing. Further, the activities contribute to the achievement of the goals OCHA set forth in Section B.2 of the Five-Year PHA Plan.

Goal 2. Promote Family Self-Sufficiency

- OCHA applied for renewal of its Family Self Sufficiency (FSS) Coordinator funding and was awarded \$429,864.
- OCHA routinely conducted recruitment to all Housing Choice Voucher holders and performed targeted recruitment for households participating in the Family Unification, Veteran's Affairs Supportive Housing, and Emergency Housing Voucher programs.
- In FY25-26, OCHA invited 2,312 households to attend the FSS briefing using the virtual FSS briefing platform.
- As a result of the FSS program, 11 households increased earned income by obtaining full time employment and stopped receiving public welfare benefits.
- 36 households, including 68 children, participated in a holiday toy distribution event hosted by OCHA in partnership with Operation Santa Claus.

Goal 3. Focus on enhancing internal capacity to guarantee the delivery of high-quality service

- Developed plans to improve employee retention by offering flexible work schedules.
- In addition to ongoing staff development training, we launched OCHA University, a comprehensive training program for employees at all levels, designed to promote professional growth and enhance customer service.
- Centralized specialized activities, such as Reasonable Accommodation and 504 Coordinator responsibilities to guarantee consistent and timely responses ensuring equitable service delivery for all participants.

Goal 4. Improve quality of assisted housing

- OCHA conducted landlord engagement activities to provide education and outreach to area landlords on the Housing Choice Voucher Program.
- Remote Virtual Inspections use was expanded to include Biennial Inspections as well as new move-ins to improve communication with both landlords and tenants.
- OCHA routinely holds collaborative meetings with partners for our Special Purpose Voucher programs where we educated partner agencies on the Reasonable Accommodation options available that help to provide choice for persons with disabilities.
- OCHA administered a landlord incentive program offering up to \$1,000 signing bonus for landlords, double security deposits, as applicable, and refrigerator assistance for tenants. The program was intended to complement existing community landlord incentive programs and support voucher holders with limited access to support service dollars.

Goal 5. Enhance equal access to housing programs by reducing barriers

- OCHA continued to contract with Language Line Services, which provided interpretation and translation services in 163 different languages.
- OCHA continued to prioritize the hiring of bilingual staff who are competent in reading, writing, and speaking Chinese, Korean, Spanish, and Vietnamese to remove a barrier to information for limited English proficient persons.
- During FY25-26 OCHA hired two additional (2) bilingual staff.
- American Sign Language interpreters and the California Relay Service continue to be used to communicate with those who are hard of hearing.
- DocuSign and Adobe Pro licenses continue to be utilized to eliminate need for original signatures.
- The Assistance Connect portal continued to be available for applicant and landlord use to communicate with staff and transmit documents as needed.

Goal 6. Maintain High Performer Status on SEMAP

- OCHA remains a High Performer on SEMAP.

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairperson or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the 5-Year and/or Annual PHA Plan, hereinafter referred to as "the Plan," of which this document is a part, and make the following certification and agreements with the Department of Housing and Urban Development (HUD) for the PHA fiscal year beginning 07/2026, in which the PHA receives assistance under 42 U.S.C. 1437f and/or 1437g in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located (24 CFR § 91.2).
2. The Plan contains a signed certification by the appropriate State or local official (form HUD-50077-SL) that the Plan is consistent with the applicable Consolidated Plan, which includes any applicable fair housing goals or strategies, for the PHA's jurisdiction and a description of the way the PHA Plan is consistent with the applicable Consolidated Plan (24 CFR §§ 91.2, 91.225, 91.325, and 91.425).
3. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Resident Advisory Board or Boards in developing the Plan, including any changes or revisions to the policies and programs identified in the Plan before they were implemented, and considered the recommendations of the Resident Advisory Board (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the way the Plan addresses these recommendations.
4. The PHA provides assurance as part of this certification that:
 - i. The Resident Advisory Board had an opportunity to review and comment on the changes to the policies and programs before implementation by the PHA;
 - ii. The changes were duly approved by the PHA Board of Directors (or similar governing body); and
 - iii. The revised policies and programs are available for review and inspection, at the principal office of the PHA during normal business hours. Where possible, PHAs should make documents available electronically, for public inspection upon request.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment. The PHA ensured all notices and meetings provided effective communication with persons with disabilities and further provided meaningful language access for persons with Limited English Proficiency (LEP).
6. The PHA certifies that it will carry out the public housing program of the agency in conformity with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d-2000d-4), the Fair Housing Act (42 U.S.C. 3601-19), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), Title II of the Americans with Disabilities Act (42 U.S.C. 12101 et seq.), the Violence Against Women Act (34 U.S.C. § 12291 et seq.), and other applicable civil rights requirements, and that it will affirmatively further fair housing in the administration of all HUD programs. In addition, if it administers a Housing Choice Voucher Program, the PHA certifies that it will administer the program in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act, the Violence Against Women Act, and other applicable civil rights requirements, and that it will affirmatively further fair housing in the administration of all HUD programs.
7. The PHA will affirmatively further fair housing, in compliance with the Fair Housing Act, 24 CFR § 5.150 et seq., 24 CFR § 903.7(o), and 24 CFR § 903.15, which means that it will take meaningful actions, in addition to combating discrimination, that overcome patterns of segregation and foster inclusive communities free from barriers that restrict access to opportunity based on protected characteristics. Specifically, affirmatively furthering fair housing means taking meaningful actions that, taken together, address significant disparities in housing needs and in access to opportunity, replacing segregated living patterns with truly integrated and balanced living

patterns, transforming racially or ethnically concentrated areas of poverty into areas of opportunity, and fostering and maintaining compliance with civil rights and fair housing laws (24 CFR § 5.151). Pursuant to 24 CFR § 903.15(c)(2), a PHA's policies should be designed to reduce the concentration of tenants and other assisted persons by race, national origin, and disability. PHA policies should include affirmative steps stated in 24 CFR § 903.15(c)(2)(i) and 24 CFR § 903.15(c)(2)(ii). Furthermore, under 24 CFR § 903.7(o), a PHA must submit a civil rights certification with its Annual and 5-year PHA Plans, except for qualified PHAs who submit the Form HUD-50077-CR as a standalone document. The PHA certifies that it will take no action that is materially inconsistent with its obligation to affirmatively further fair housing.

8. For PHA Plans that include a policy for site-based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module and/or its successor system: the Housing Information Portal (HIP) in an accurate, complete and timely manner (as specified in PIH Notice 2011-65);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of a site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such a waiting list is consistent with affirmatively furthering fair housing; and
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR 903.7(o)(1).
9. The PHA will comply with the prohibitions against discrimination based on age pursuant to the Age Discrimination Act of 1975.
10. In accordance with the Fair Housing Act, the PHA will not base a determination of eligibility for housing on marital status and will not otherwise discriminate because of sex.
11. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, 'Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped' for people with physical disabilities.
12. The PHA will comply with the requirements of Section 3 of the Housing and Urban Development Act of 1968, Employment Opportunities for Low-or Very-Low Income Persons, and with its implementing regulation at 24 CFR Part 135.
13. The PHA will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implement the regulations at 49 CFR Part 24 as applicable.
14. The PHA will take appropriate affirmative action to award contracts to minority and women's business enterprises under 24 CFR 5.105(a).
15. The PHA will provide the responsible entity or HUD any documentation that the responsible entity or HUD needs to carry out its review under the National Environmental Policy Act and other related authorities in accordance with 24 CFR Part 58 or Part 50, respectively.
16. With respect to public housing the PHA will comply with Davis-Bacon or HUD determined wage rate requirements under Section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
17. The PHA will keep records in accordance with 2 CFR 200.302 and facilitate an effective audit to determine compliance with program requirements.
18. The PHA will comply with the Lead-Based Paint Poisoning Prevention Act, the Residential Lead-Based Paint Hazard Reduction Act of 1992, and 24 CFR Part 35.
19. The PHA will comply with the policies, guidelines, and requirements of 2 CFR Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Financial Assistance, including but not limited to submitting the assurances required under 24 CFR §§ 1.5, 3.115, 8.50, and 107.25 by submitting an SF-424, including the required assurances in SF-424B or D, as applicable.
20. The PHA will undertake only activities and programs covered by the Plan in a manner consistent with its Plan and will utilize covered grant funds only for activities that are approvable under the regulations and included in its Plan.
21. All attachments to the Plan have been and will continue to always be available at all locations that the PHA Plan is available for public inspection. All required supporting documents have been made available for public inspection along with the Plan and additional requirements at the primary business office of the PHA and at all other times and locations identified by the PHA in its PHA Plan and will continue to be made available at least at the primary
